RAFIA CHOWDHURY'S REVIEW

I was in an accident and suffered a serious neck and back injury. I hired, Michigan Injury Law Group to fight for me. They were honest about setting expectations, offered us frequent updates throughout the long process, and explained often-complex information and legal issues clearly so I could make good choices. The most caring law firm you could ever ask for. The entire staff stayed in constant communication with me and made sure I received the compensation for my injuries. Best firm by far and highly recommend to anyone.

I have had a wonderful experience with Ruhul M. Mumen! Everyone in his office were very friendly & responsive! I am so thankful I used this firm. From the very beginning they treated me so well. I will recommend him highly. I received a very fair settlement. He is professional, knowledgeable, and has a good feel for how things are going to go. Mr. Mumen represented me in my auto accident case against a large company; and won me a good settlement which was more than I expected. In the future if I need any legal representation, I will always call Mr. Mumen for my legal work. I will highly recommend going to Mr. Mumen if anybody needs help.
